From The D C Mandya Dt

No A5 2001/41-42 dt 6/7/1962

Requests sanction in the circumstances stated, to an estimate for Rs 3800 for the construction of a building to locate the Belakavadi Union municipal Office and Reading Room, which is stated at present to be located in a rented building, and to a Govt grant of equal to half the estimate (Rs 1900) being the T I grant for the current year the (included in the estimate of Rs 3800) E T P charges amounting to Rs 578/- being waived as a special case

1) The file will be referred to the Chief Engineer of Mysore for favour of scrutiny of the estimate as in the first instance submitted for orde

2) As the estimate is below Rs 5000/- it need not be scrutinized by the Chief Engineer, under standing orders

3) Belakavadi is a town municipal council in the Malavalli Taluk since the MMC is willing to contribute a moiety (Rs 1900) of the estimated cost (3800) of the construction of a building for the municipal office & reading room, the proposal to construct the building may be approved the other half of the cost (Rs 1900) may be advanced even as grant of the Govt

GOVT OF MYSORE

Sir,

Subject -

Construction of a Municipal Office at Belakavadi

-oo-

In forwarding herewith the entire correspondence relating to the above subject, I have the honor to state that at the time of the inspection of the Belakavadi Municipal Office in February 1942 I found that the Municipal Office was located in a rented building and the accommodation for the office was very insufficient I therefore suggested to the Council that the question of providing themselves with a building of their own may be taken up and suitable proposals submitted for consideration On a reference made to the Executive Engineer, Mandya Division, an estimate for Rs 3800/- has been prepared

2 As regards the question of meeting the cost of the building, the President reports that the Municipal Council have resolved on 31-5-42 that Government may kindly be requested to meet half the cost out of the Town Improvement Grant and in case, this could not be done, the tools and plant charges may kindly be waived The balance of the amount would be met out of the amount kept in the Savings Bank

3 In this connection I wish to state that the population of Belakavadi Town is nearly 4000 and the public have not been provided with any facility to meet together and read newspapers and books for want for want of a proper public building to locate the Reading Room The idea of

having a building for locating the Municipal Office and the Reading Room is really one to be encouraged and the request of the Municipal Council for a grant equal to half the cost of the building deserves sympathetic consideration at the hands of Government

4 In the estimate, the Executive Engineer has included a sum of Rs 578/- as tools and plant charges If this sum is waived the cost of the building would be Rs 3222/- If the tools and plant charges cannot be waived as prayed for by the Municipal Council, permission may kindly be given to the Municipal Council to call for tenders and get the work done

5 In view of the fact that Belakavadi is a minor Municipality having a small income and that the necessity for a public building at the place to locate the Municipal Office and the Reading Room is a long felt one, I recommend that Government may kindly be pleased to sanction half the cost of the building out of the Town Improvement Grants for 42-43 and waive the tools and plant charges as a special case

6 The plan and estimate are enclosed for kind reference and return

I have the honor to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Mandya District
